

Orange Star Infantry instructions

step 1

Orange Star Infantry
Despite being by far the weakest units in the game, Infantry units play a vital role in the 2009 Game Boy Advance turnbased strategy game Advance Wars!
Their ability to Capture neutral and enemy properties allows you to build new units, and provide a place for your damaged units to heal when needed. Capturing a few cities near the frontlines is always a good idea!
game site: <http://www.advancemw.com/>

Print the parts on thicker paper and gather your papercrafting tools, like a sharp knife, glue, a toothpick and some sort of cutting mat.

step 2

Glue together the sides of part 1 to get the shape as shown here.

step 3

Glue parts 2 and 3 into small cylinders, and then push them through the holes on the bottom of part 1.

step 4

Assemble parts 4 and 5...

step 5

...and then glue them to the bottom of parts 2 and 3. Don't make the feet point exactly to the front, but a bit sideways!

step 6

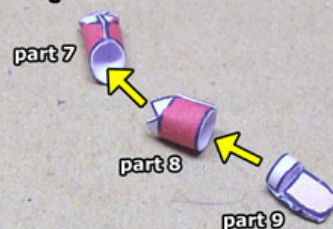

Cut out and assemble part 6...

step 7

...and then glue it on top of the pants as shown here.

step 8

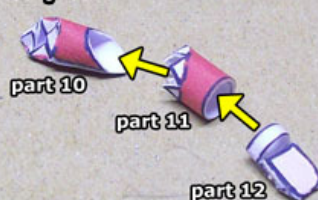

Cut out and assemble parts 7-9 and glue them together to make the arm.

step 9

Take care of the angles between the separate parts, so the hand will be in the correct position as shown here.

step 10

Glue together parts 10-12 as well...

step 11

...and glue them to the other side of the body as shown here.

step 12

part 14

part 13

Take your time to glue together parts 13 and 14 (I find it easiest to do one "petal" at a time, until I've completed the circle).

step 13

parts 13+14

Then glue parts 13 and 14 on top of the body as shown here.

step 14

Cut out and assemble part 15 as shown here.

step 15

part 16

part 17

Roll up part 16 as tight as possible and pre-shape part 17 to glue on the end of part 16.

step 16

parts 16+17

2x part 18

Push parts 16+17 inside part 15, and then roll up parts 18 as tight as possible.

step 17

2x part 18

Glue parts 18 to the bottom of part 15 to complete the Machine Gun.

step 18

Orange Star
Infantry

Place the Machine Gun in the hands of the Infantry soldier.

Thank you for building a Ninjatoes' papercraft model!
